## VISIT ME...

I am a small peninsula surrounded by the sea, an ancient, Atlantic and cosmopolitan city, where the ocean has played the leading role in over 2,000 years of history.

## GET TO KNOW ME...

From the peaceful marine landscape, via my city beaches to my cosmopolitan and life-filled streets.

From the ancient Tower of Hercules, named a world heritage site by the UNESCO in 2009, to avant-garde architecture from recent decades.

From walks through my heart, the Old Town, around the promenade, to nighttime in bars and restaurants.

Spectacular cuisine where fish, seafood, good wine and local meat are the stars.

A city where leisure, cuisine, shopping and culture blend together to create exciting and modern routes.

## FEEL ME...

I am a city laden with age-old traditions, which live together with the latest trends in fashion, architecture, art, music...

## COME AND SEE ME...

I am in the northwest of the Iberian Peninsula and form part of the region of Galicia. I am very well connected by motorways and dual carriageways (A6 and AP9), by train (FEVE and RENFE) and by plane; Alvedro airport is in the city and Santiago de Compostela is just 45 minutes away.

---

## STAY WITH ME...

I am your ideal destination.

You can come at any time of year, we are waiting for you with open arms, our hospitality and generosity, and the pleasant nature of our land.

I am ideal for weekends away, adventures with your friends and visits with the whole family.

---

I am also the perfect city for holding events and congresses, because all my hotel rooms and congress centres make up the best possible conditions for this kind of activity.

---

## TRY ME...

You can try the most exquisite local cuisine in hundreds of my restaurants and taverns, lunch or dinner at a smart table or discovering my suggestive tapas routes.

I have more Michelin stars than any other city in Galicia. I can offer you succulent meat, fish and sea food - the best quality and as fresh as can be; sole, monkfish, barnacles, velvet swimming crabs and Dublin Bay prawns.

From the traditional octopus with olive oil, stew and pancake to more innovative and modern menus. Accompanied by one of the designation of origin wines from Galicia - Monterrey, Valdeorras, Rías Baixas, Ribeiro - it will be an amazing experience for even the most demanding palate.

---

## HAVE TAPAS WITH ME...

I am a city where going out for tapas is a tradition - there are hundreds of bars, each with its own speciality and a pinch of local cuisine.

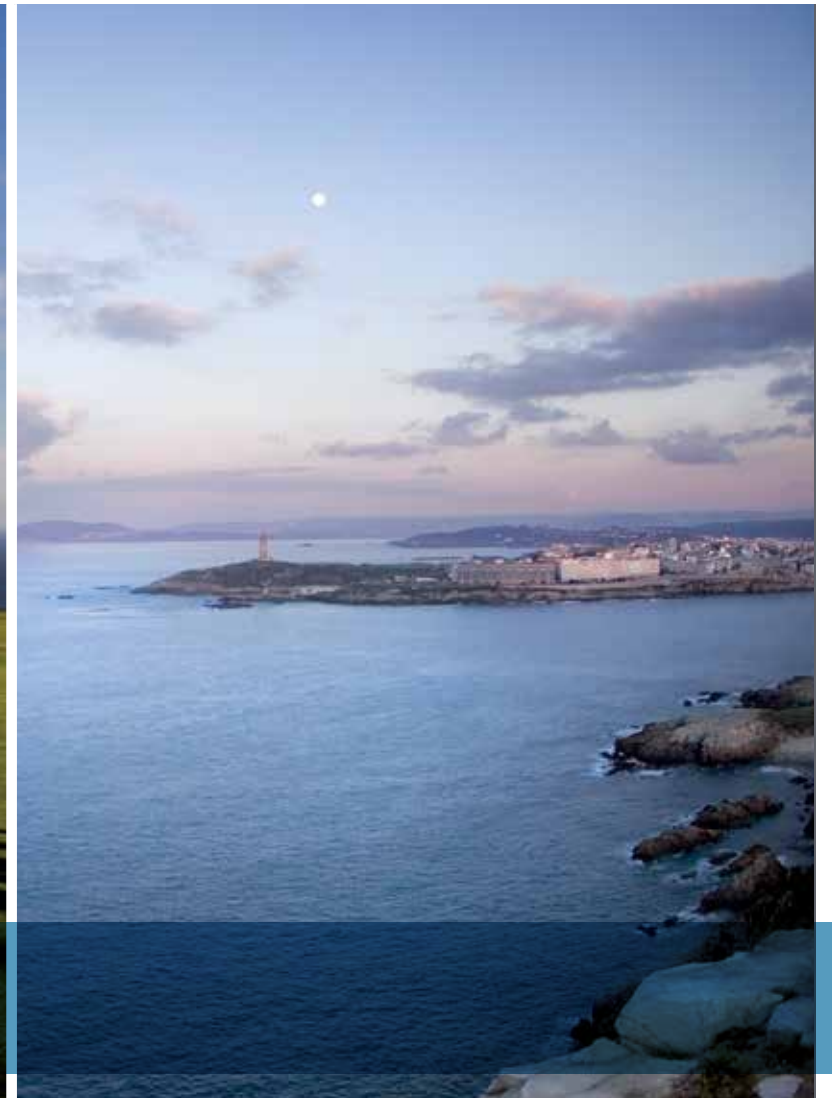

On my tapas routes I can offer you little pieces of local taste that anyone can afford, and every year they are on show during the Picadillo Tapas Competition.

## WALK WITH ME...

My promenade is the longest in Europe, I have over 2 km of beaches and spectacular ocean views for walkers, cyclists and athletes every day.

But I am also a city of air and land.

My green areas, my tidy gardens and urban vegetation make up large open spaces for your leisure, contact with nature and sports like golf. You only have to go up to the Monte de San Pedro in my panoramic lift to contemplate Orzán Bay in all its splendour.

## GET ORGANISED WITH ME...

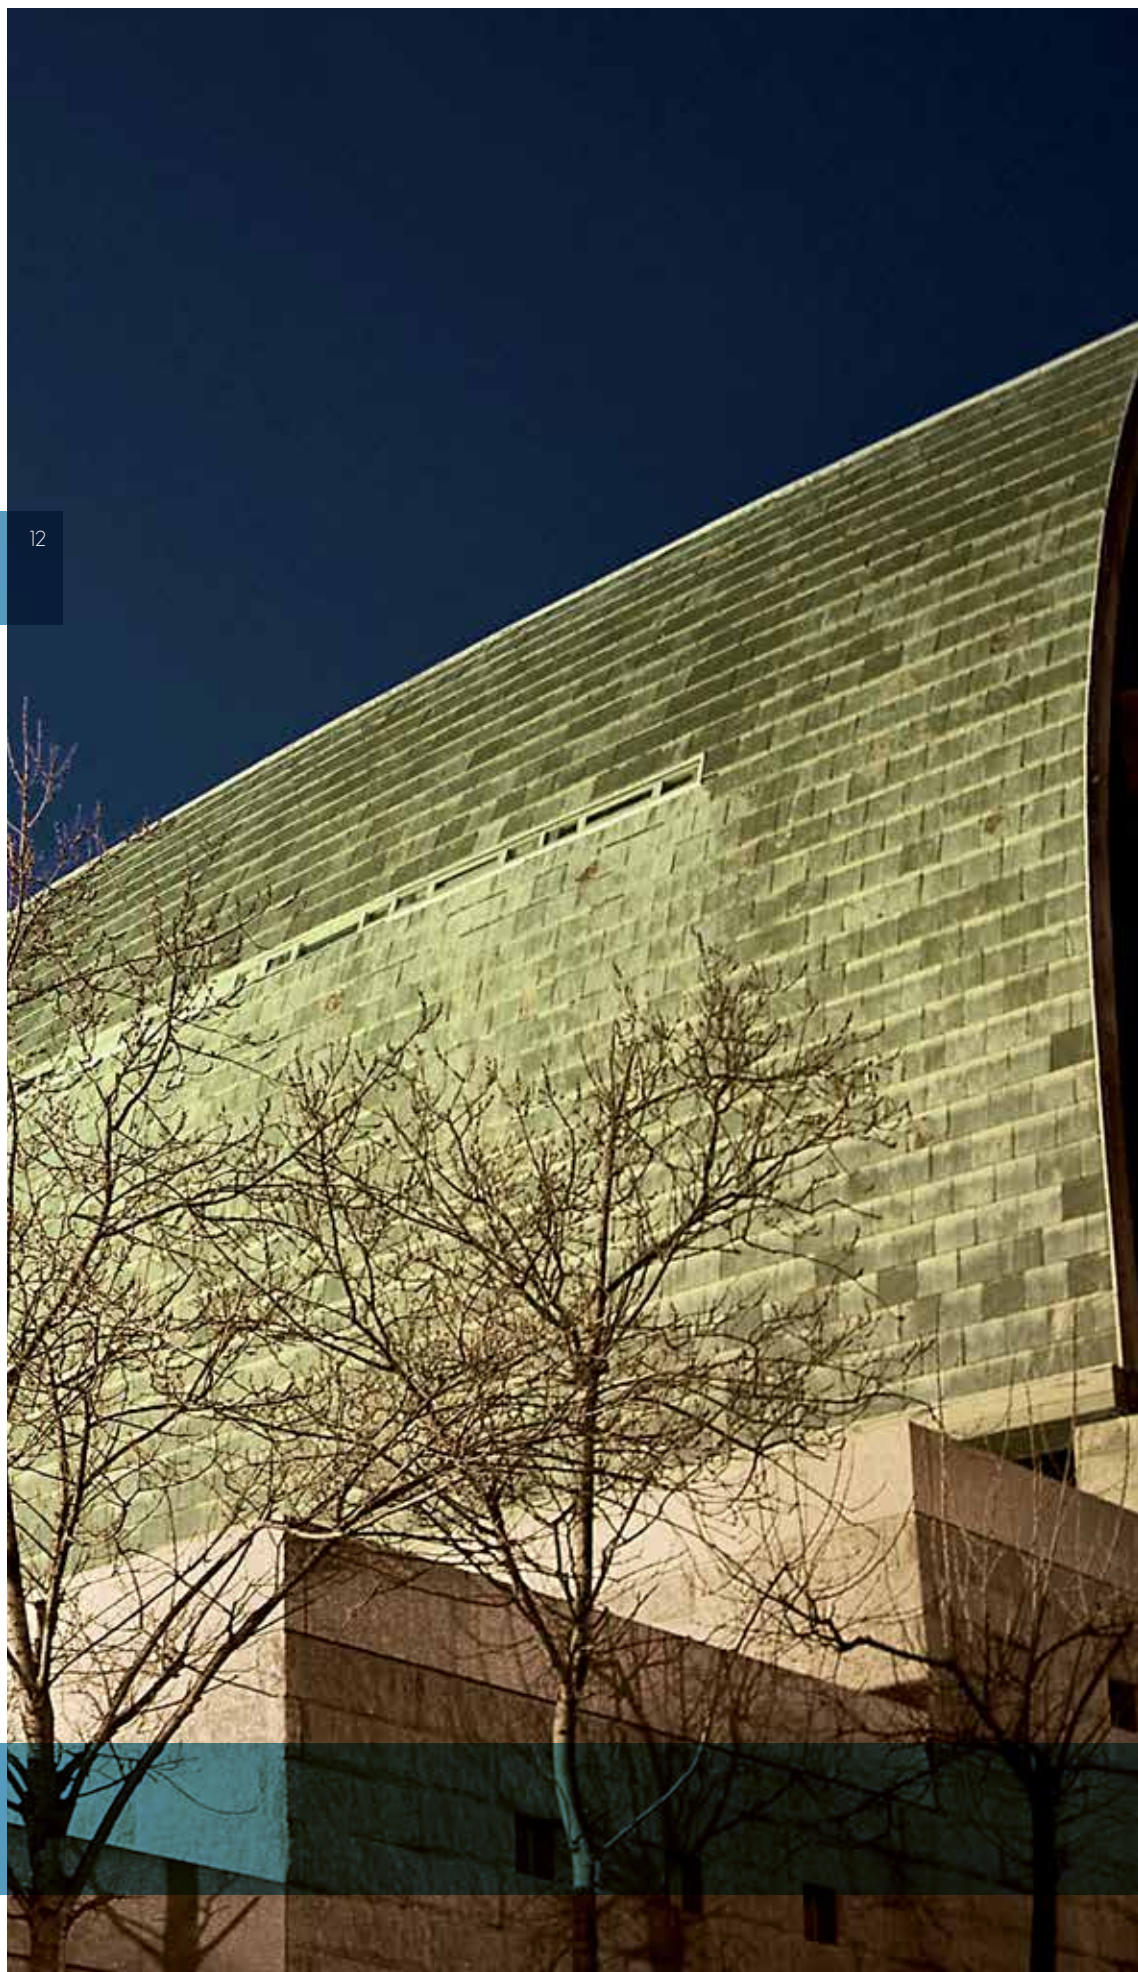

PALEXCO and EXPOCoruña are perfect places to hold congresses, conventions and all kinds of events.

PALEXCO, the first congress centre in Galicia to obtain the Q award for Tourist Quality, is a specially designed centre in a privileged location right in the heart of the city, opposite the Transatlantic dock. It boasts 13 rooms and halls for over 3,000 people.

EXPOCoruña is now a consolidated benchmark for trade fairs and events in the north west of the peninsula. Covering a floor area of over 25,000 m<sup>2</sup>, this multipurpose space is the best showcase for all kinds of varied and avant-garde meetings, from fairs to shows and music festivals.

## HAVE FUN...

I am, without doubt, a city of fun.

All year round my streets are full of events and shows: from the María Pita events in August to Carnivals, the Midsummer Night's bonfires - an event of National Tourist Interest - the Comic Festival, musical events like the 981 Festival, the Mozart Festival, the Opera Festival, the Atlantic Jazz Festival or the "Noroeste Pop Rock" Festival.

I am a city of art and culture. Home to the Symphonic Orchestra of Galicia and the network of scientific museums known the world over: the Domus, the Science Museum, the Aquarium Finisterrae and the new National Museum of Science and Technology (MUNCYT).

I boast art galleries, the Opera House, the Rosalía and Colón theatres, live music at night, the Casino, exhibitions and recitals of classical music. My cultural offer is eclectic and heterogenous.

I am beautiful by day, but my best is reserved for the night. My leisure offer for nights is endless: from peaceful cafes, via live music halls to lively pubs and discos with the latest music. You won't want the sun to come up.

## COME SAILING WITH ME...

I am a sea city, the land of fishermen who unload their catch to provide the best raw materials for our dishes. Water sport lovers also love me, as they enjoy my waters or sail into my harbour - I have 950 berthing points and the best possible facilities and services.

15

A port with a Transatlantic dock in the heart of the city, the nerve centre where restaurants, shops, the best hotels and even theatres wait with open arms for those who come by sea to this land with an aroma of salt.
